## STUDENT COUNCIL

**Left to Right:** Mary Pearce, **Corresponding Secretary;** Patricia Kelley, **President;** Isabel Scott, **Vice-President.** These girls presided over the student body and Student Council this year.

The Gainesville High School Student Council is the organization which represents the students in school affairs. The President, Vice-President, and Corresponding Secretary of the Council are elected by the entire student body and they serve for a period of one year. The representatives are elected by their own grades and serve for one year, also. The newly elected governing body then chooses its Treasurer and Recording Secretary. The elections take place in the spring of the previous year. Freshman representatives are elected after the new school year begins. The Student Council is designed to express the wishes and needs of the student body by means of spokesmen whom the students themselves have chosen. The Council is conducted very much in the same manner as our national government.

### STUDENT COUNCIL PROJECTS

The Council has many projects which benefit the students, and the school. During the first week of school, a "Friendship Week" and an Orientation program (which is carried out through the rest of the year) are presented to help the students get acquainted with the school and the people in it. The Council is in charge of assembly programs and it also sponsors a series of "Career Nights" which aid the students in deciding on a future occupation. The special bulletin board which gives information pertaining to scholarships and various professions of interest to all students is also a Council project. All student body elections are handled by the group and they sponsor school dances during the year. However, the main duty of the Student Council is to act as a liason between the student body, the faculty, and the administration in working on matters concerning the students.

# GIRLS' STATE

Journeying to the mythical Girls' State of Se.ninole in June last summer were Mason Carmichael and Patricia Kelley. They represented G.H.S. in this make-believe government organized to acquaint Florida youth with our state government. City, county, and state officials were elected, and laws were proposed and made by actual law-making procedure. Mason was elected to the office of County Superintendent of Registration, and Patricia held the position of County Superintendent of Public Instruction.

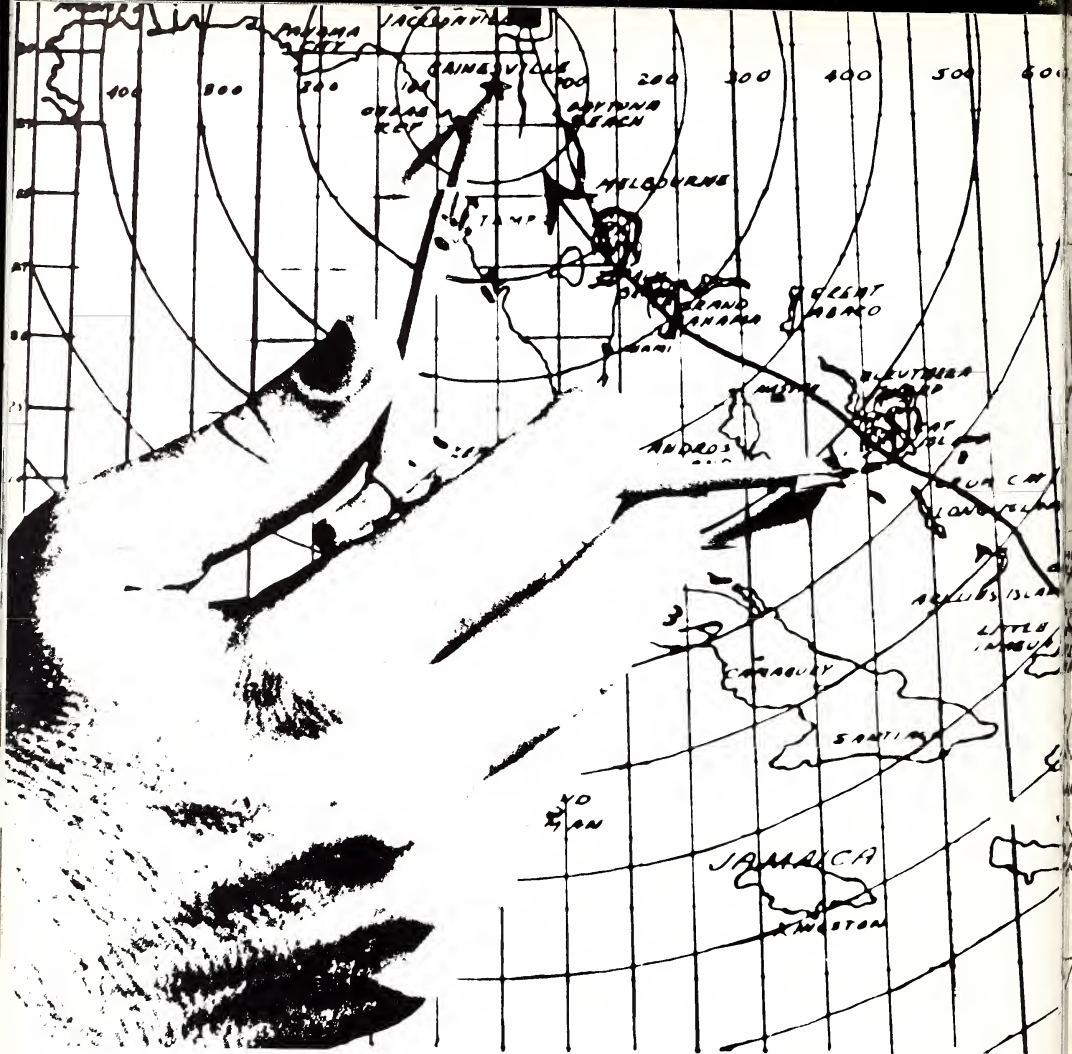

Representatives to Girls' State are Patricia Kelley and Mason Carmichael.

# BOYS' STATE

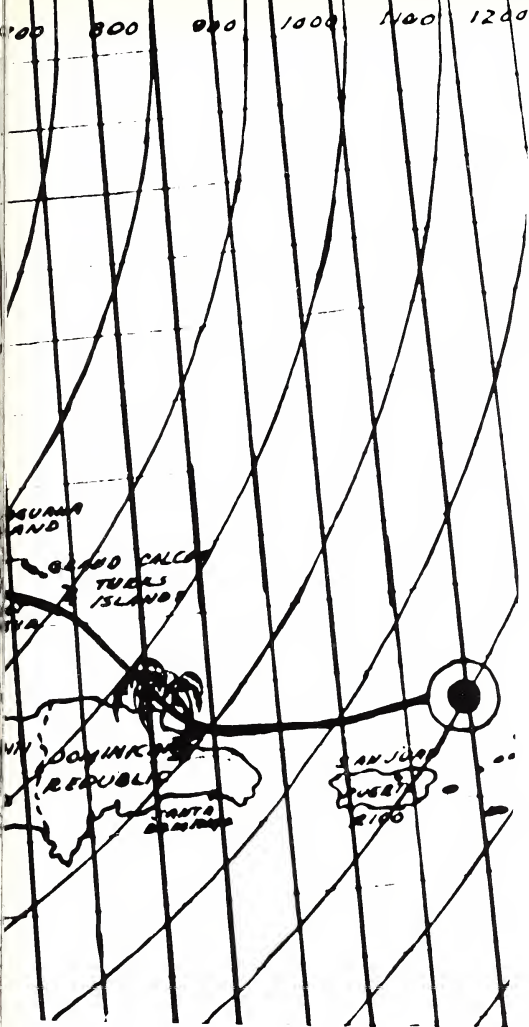

Representatives to Boys' State are, Roger Shields, Charles Tuttle; and Buck Grinter.

To Boys' State went Buck Grinter, Roger Shields, and Charles Tuttle. Charles was County and District Party Chairman; Buck served as a member of the City Council and as State Representative. Roger held the office of County Supervisor of Registration, District Party Chairman, as well as State Senator.

# COACHES

This season was Dick Flowers' second year as head of the G.H.S. athletic department and coach of the Hurricane football team which has had such a successful season. Coach Flowers attended the University of Alabama and was a member of the team that played in both the Sugar Bowl and the Rose Bowl.

Wade Odom is head basketball and track coach and has been at G.H.S. for two years. He graduated from Peabody College in Nashville, Tennessee and is well-known around G.H.S. for his basketball "crying towel."

Bubba McGowan has also coached for two years at G.H.S. He attended the University of Florida, where he played football. Mrs. McGowan too is a familiar figure around the school since she is one of the Physical Education instructors.

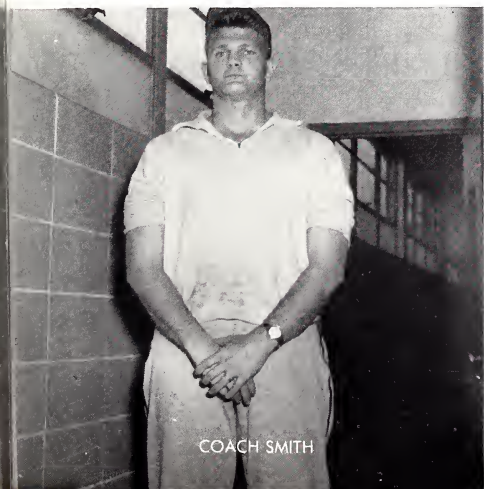

# COACHES

Coach of the outstanding B-Squad basketball team is Harvey Dickinson, an alumni of the G.H.S. graduating class of 1949. He attended the University of Florida, where he played football and basketball. Also, he has coached at Bucholz Junior High School and was Gainesville City Athletic Director.

Coaching baseball and football at G.H.S. for the past two years is Melvin K. Smith. Before coming to this school, he coached for a year at Live Oak High School and another year at Winter Park High School.

Jim Niblack graduated from G.H.S. in 1948 with many athletic awards to his credit. He returned this year after attending the University of Florida and now coaches golf and football.

### THE "A" SQUAD CHEERLEADERS:

These are the eight young ladies who add vivaciousness and prettiness to all the pep rallies. Their spirited cheers ring out loud and clear, urging on the team and bringing the excitement of the game to a high pitch. These girls were chosen because of their outstanding qualities of character, leadership and school spirit. The girls themselves chose Priscilla Pepper as

their captain. They have other projects besides yelling for the Hurricanes, among them: Sponsoring the big back to school dance at the beginning of the school year, giving the annual "Victory" dance after the Homecoming game, and lending some good old Gainesville hospitality to the visiting cheerleaders from opposing teams.

Greg Scott and Vance Bevis served as managers of the varsity football squad. They played an important part in helping the team to function well. They were kept busy cleaning shoes, collecting laundry, cleaning helmets and taking inventory much of the time.

John Stedham, number 61, on the Gainesville squad, was injured in one of the earlier games of the season and rendered practically useless for the rest of the year. Among those boys shown are Fred Cone, 50; Bob Henderson, 30, John Posey, 85; Bobby Henley, 20; Russell Plummer, 86; Buddy Love, 41; Arthur Roundtree, 72; and Delmar Ream, 62.

There seems to be some confusion as to who has the ball. With number 11, Bill Gillis, on top of one of his own teammates, and number 43, Bobby Griffis, in evident indecision, number 55 of the opposing team knows who has the pigskin, but doesn't know what to do with it.

The Gainesville High School Purple Hurricanes swept through a football season for which they can well be proud. They ended the season with five wins, three losses, and two ties, playing, in many cases, against teams that were rated among the Top Ten in the state. For the last game of the season, they journeyed to Mobile, Alabama, to play Murphree High School. Although they were unable to return with a victory, they came back in jovial spirits, greatly resembling Robin Hood and his Merry Men with their new feathered caps.

Ruble Southerland, senior end, and Eddie Feely, sophomore quarterback, were picked for first team berths on the Northeast Conference Western Division. Tackle, John Posey, guard, Arthur Roundtree, and halfback Bill Gillis received honorable mention. Eddie Feely, Bill Gillis and Arthur Roundtree will return next year to again play varsity for the Purple Hurricanes. Ruble Southerland and John Posey both are graduating seniors.

Leaping high in the air for a Gainesville basket is Jennings Rowland, number 20.

A Santa Fe Rebel looks on open-mouthed as Vaughn Baker of the GHS Purple Hurricanes moves the score up two more points.

Gainesville High School enjoyed a basketball season full of team enthusiasm, outstanding school spirit, and last-minute thrills; but also several deflating disappointments.

Excitement reached its peak when, in a single week, Gainesville twice came within two points of beating Perry, NEC Western Division runner-up; it was culminated by the glorious victory over this school's perennial rival, Ocala High School. All three games went into overtime periods.

The team was greatly reinforced this year by the addition of two excellent newcomers to Gainesville High School, Mickey Woods and John Preisler. High scorer for the season was Jennings Rowland with an average of 22.6 points per game. The dependable showing of Buck Grinter, 6' 5" center, was another asset in the games. The entire team deserves praise for its fine record of twelve wins out of a total of twenty games.

To close a very successful season Gainesville High School won the district championship by defeating Perry, and thus appeared in the state tournaments for the first time in 30 years.

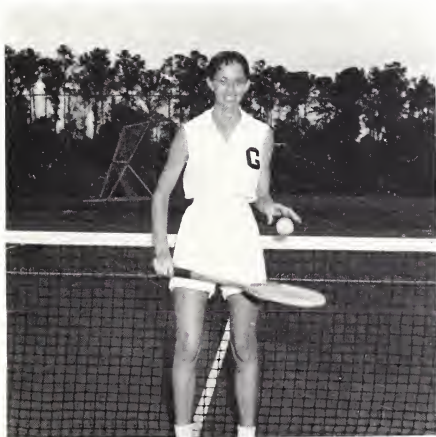

Another 'Cane basket in the Santa Fe game brought the score to 73-44, one more Purple and White win.

## TENNIS

SYLVIA HARDAWAY, CAPTAIN

These girls are members of the newly formed Gainesville High School Tennis Team. The team was organized for the first time this year. The girls are coached by Mrs. Hammond. They also receive help from the University of Florida tennis team and Miss Edmundson who teaches tennis in the Physical Education Department at the University. Sylvia Hardaway was chosen as the captain of the team. They practice after school on Mondays, Thursdays, and Saturday mornings. The team plays matches with neighboring schools as well as entering the state high school tournaments. We are glad to see a new sport introduced to the school's athletic program and we wish the best of luck to these girls and to the teams that will follow them.

## TRACK

Milton Eliades watches Dickey Jones practicing with one shot.

The versatile Gainesville High School track team opened its 1957 season in Palatka on March 27. The thirty boys in the group were coached this year by Bubba McGowan and had two outstanding relay teams.

On the team, Dickie Jones, Roger Shields, and Milton Eliades threw the shot and discus. High jumpers were Dave Beard, Wendell Willis, and Tommy Downs. Running the mile were Bill Morgeson, Bobby Green, and Larry Hetire. In the 880 yard dash Wayne Raborn and Jim Morgeson ran. Other runners included Russell Plummer, Jerry Rawlins, Larry Weisner, Johnny Jones, Bob Henley, Buddy Love, and Kenny Russom. For the hurdles were Dickie Jones, Russell Plummer, Dave Beard, and Robert Bache. Broad jumpers were Russell Plummer and John Priesler.

# BASEBALL

The Gainesville High School Baseball Team:

These are the boys who did so well for us in baseball this season. Everyone on the team worked hard and we think that Coach Smith did a wonderful job of coaching the boys. The 1957 team had a high standard set for them by the team of 1956 (who were District and NEC champions and were State Runner-Up). Keeping their eyes on last year's fine record, the boys tried hard to keep up the good work. They, too, finished up the season with a good showing. Lots of students attended all the games to help cheer their team on to victory. Everyone is very proud of the good record this year's team left and we are all hoping that the 1958 team will do just as well.

# GHS Plays Lake Wales in State Tournament

Get that ball Gainesville.....

Make it, Buck.....

There's another one.....

And another.....

On March 7 in the U.F. gym the G.H.S. Purple Hurricanes met Lake Wales in the State Basketball Tournament. About two thousand rooters cheered for Gainesville in one of the most exciting games played all year. The evenly matched teams battled as the score see-sawed back and forth, but as the final bell sounded Lake Wales was ahead by one point winning the semi-final by a score of 80-79.

Jump ball.....

Go, Jason.....

Watch it, Lake Wales.....

Is it in.....?

Gainesville tries for another basket in the J.V. game against the Santa Fe High School Rebels.

### B-Squad Basketball

These are the "baby" Hurricanes who do so well for our school in their basketball games. Their games are played prior to the varsity ones and there is always an audience to cheer the team on to victory. We are very proud of the boys for their fine showing this year. Their official record is 15 wins and 3 losses. They have worked hard and made a fine name for themselves throughout the state.

# JUNIOR VARSITY FOOTBALL

## B' Squad Football

Under the leadership of Coach Melvin Smith, the Junior Varsity football team closed the 1956 season after a total of seven games. The B'squad team has advanced remarkably well under the direction of Coaches Smith, Odom, and Dickinson. With graduation taking many varsity players, the chances for many of these boys to play Senior Varsity ball next year are good.

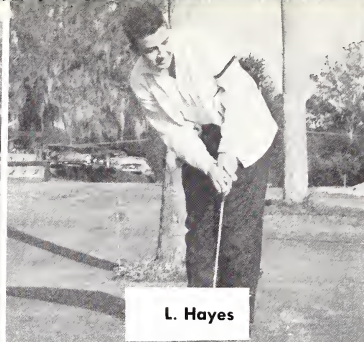

These thirty four boys practice each afternoon from the beginning of sixth period

# JUNIOR VARSITY CHEERLEADERS

Projecting spirit and pep during the school year is the object of the Junior Varsity cheerleaders. They cheer for the B'squad football and basketball teams as well as help the varsity cheer-

leaders with homecoming week. Behind those yells are many hours of practice and hard work. These eight girls tryout in the fall of each year, and are elected from, and by, the freshman and sophomore classes.

The purpose of the Keyettes is high. The goals which they strive to reach are these: to promote friendship among the students, to participate in worthwhile community and intraschool projects, to develop initiative and leadership, and to prepare for useful citizenship. "We Help Build" is the club motto.

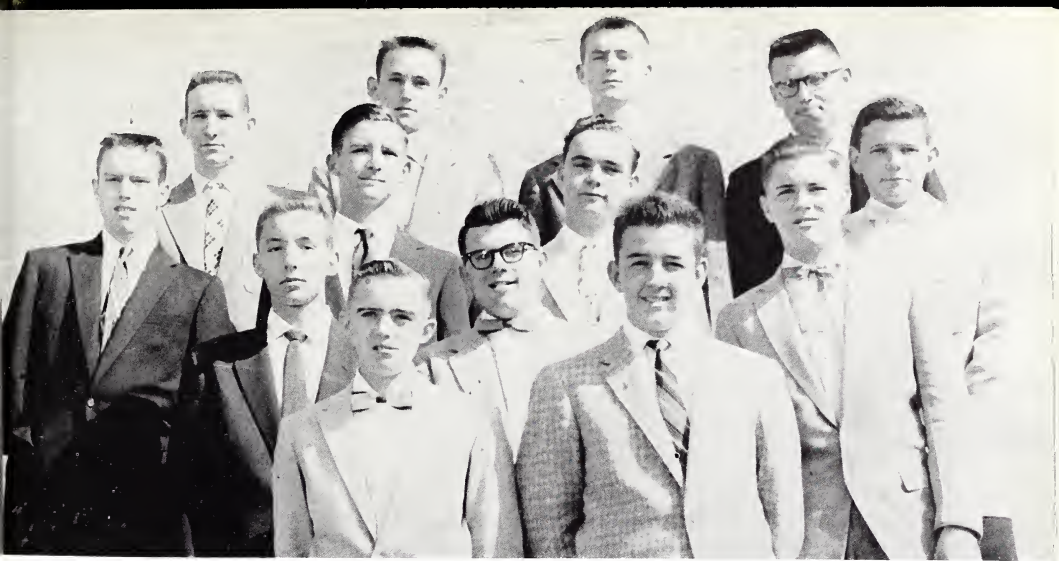

When God created man, he gave him feet with which to walk; hands with which to work; a mind with which to think; and a heart with which to cherish friendship. The greatest of these gifts is friendship.

## LOS SOMBREROS ALTOS

Senora Jenkins and Los Sombreros Altos (High Hats) endeavor to promote interest and understanding of the culture, language, and people in Spanish-speaking countries, as well as friendship with the Spanish-speaking students who come to G.H.S.

First year Spanish students with a B-average, all second, third, and fourth year students, and any Spanish-speaking pupils in the school are eligible for membership.

Pan-American Day is the big project of Los Sombreros Altos, but the club also presents a gift to the Spanish Department every year.

## HURRICANE PLAYERS

**President,** J. Sensebaugh, **Treasurer,** B. Davies, **Vice President,** S. Simmons, **Secretary,** C. Jones, Mr. Shanbrun, **Sgt.-at-Arms,** B. Richardson.

"To be or not to be" a Hurricane Player was the question when this new dramatic club was formed at G.H.S. last year. Those who were interested in all aspects of the theatre joined and participated in many school activities under the direction of Mr. Herman Shanbrun. Many members acted in or worked on the production of both the Junior and Senior Plays and an entertaining skit was presented at Skit Nite. The crowning achievement of the Hurricane Players this year, however, was the reading of the Greek tragedy, Antigone, in December.

## ALPHA TRI-HI-Y

Pure thoughts, pure words, pure deeds is the motto of the Alpha Tri-Hi-Y. Following their purpose of creating, maintaining and extending throughout the home, school, and community high standards of Christian character, the club sponsors an annual cake auction for the Cancer Fund, donates to the library and the TB Fund. They also send representatives to the State Tri-Hi-Y Convention, and to the annual Tri-Hi-Y Congress at Blue Ridge, N.C. To become a member one must have a C-average, as well as a well-rounded school life.

## GAMMA HI-Y

The Gamma Hi-Y is a Christian service club. The purpose of their club is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character." Their colors are red, white, and blue. The motto of their club is "Pure words, pure thoughts, pure actions."

For their projects, they do constructive things for the school and community, either with money or services. They are sponsored by the National Young Men's Christian Association and send representatives to the state convention in Daytona. Blue Ridge is the camp held in the North Carolina mountains for outstanding Hi-Y members. The club hopes to send several delegates this summer.

It is the purpose of the Beta-Tri-Hi-Y to create, maintain, and extend throughout the home, school, and community high standards of Christian character. Their motto is "pure thoughts, pure words, pure actions." The members of this club must display outstanding character, scholarship, and leadership abilities. During the year, the club has several projects, among them: making and selling purple and white pompoms for the football games; operating a booth at the Halloween Carnival, and many other worth while activities.

**Treasurer**, E. McDowall; **President**, J. Baxter; **Chaplain**, D. Jackson, Mrs. Bryan. **Second Row: Parliamentarian**, P. Anderson; **Historian**, S. Beach; **Sgt. at Arms**, A. Tanner; **Vice President**, R. Miller.

A lighted torch of knowledge is the symbol of the Gainesville High School Torch Club, whose purpose is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of G.H.S. The membership is limited to sophomores with a scholastic average of B or better for the ninth grade. In keeping with their purpose, the Torch Club offers tutoring services in almost every subject, donates a gift to the library, and sets and maintains a grass plot on the campus of the school.

## PEP CLUB

Creating spontaneous pep, better school spirit and friendship among the G.H.S. student body is the object of the hard-working Pep Club.

Although a newly formed organization, the club is by no means insignificant. The members try to attend every game the G.H.S. teams play and they are asked to wear the club uniform on game-days. Qualities expected in Pep Club rooters are outstanding school spirit, leadership ability, good character, and a well-rounded personality.

The Quill and Scroll Society is the international honorary society for high school journalists. Its purpose is to sponsor contests in various fields of creative work, and promote high standards in journalism. To be eligible for membership a student must be a Junior or Senior and have a B average in journalism, as well as having made a contribution in some phases of journalism at the time of their election. The Quill and Scroll attempts to carry out, to the best of its ability, the aims of the International Society.

## SENIOR HONOR SOCIETY

**Secretary,** Sara Allen West; **President,** Masan Cormichael; **Vice President,** Ruth Ada Volk; **Sponsor,** Mrs. Phipps.

The Senior Honor Society of Gainesville High School is a member of the Florida State as well as the National Honor Society. Students exhibiting high qualities of scholarship, leadership, and character are eligible for membership in this organization. Several projects for this year included donating money for additional books for the school library and awarding a plaque to the homerooms of the various grades having the largest honor roll at the end of each six weeks period.

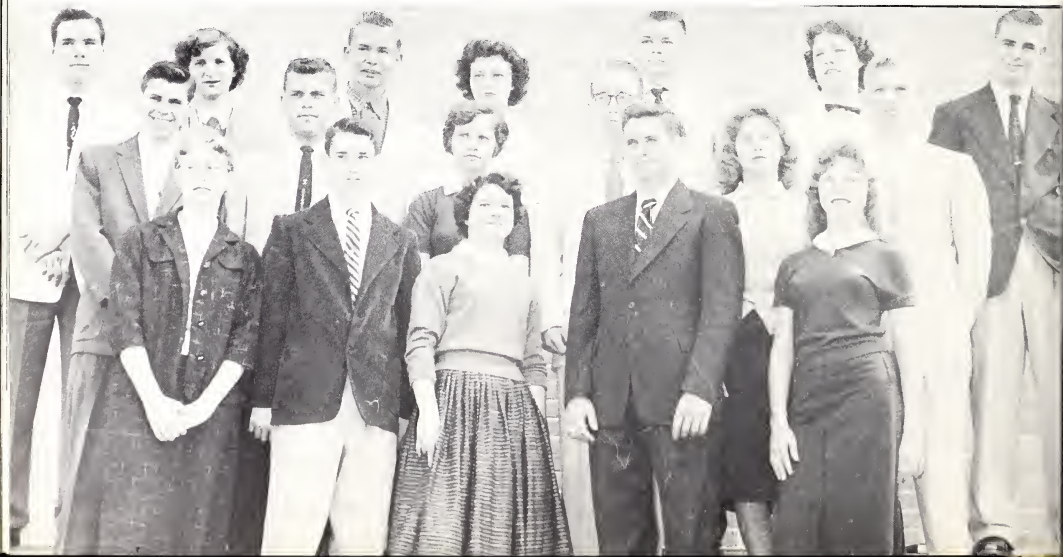

High school graduates seeking a first job are always asked the question, "What experience have you had?" The answer to this question is the Gainesville High School D.C.T. This program is designed especially for the students who know that they want to begin work in a profession right after graduation. It offers them two years of job experience as an employee during their junior and senior years of high school. This provides the student with skill in satisfying an employer in exchange for the wages he earns. A D.C.T. student is always secure in the knowledge that he has a worthwhile skill to sell.

## HURRICANE HERALD STAFF

Ambition to "beat that deadline" sums up the characteristics of members of the Hurricane Herald staff.

Writing stories, rewriting stories, typing, retyping, drawing layouts, redrawing layouts, and doing a million other "little things" are all in a day's work for journalism students who publish the bi-monthly school newspaper. The paper contains news about student council plans, club activities, sports, new students, classes, dances, as well as editorials and features. It is financed by the advertisements of Gainesville merchants and the student activity fee and is supervised by Mrs. Virginia Bartlett.

Publication staff under Bob Reeves, editor-in-chief includes Becky Thomason, assistant editor; Arline Phillips, managing editor; Sandra Beach, business editor; Walter Bower, advertising editor; Janet Perkins, news editor; Anne Summerville, feature editor; Priscilla Pepper, photography editor; Bonnie Fitzgerald, art editor; Sam Hill, sports editor; Pete Burns, circulation and exchange editor; and Phoebe McGilvray and Basilene Hill, copy editors.

## CHORUS

#### G. H. S. CHORUS

CHORUS TEACHER: Mrs. Travis.

The G.H.S. Chorus of 1956-1957 is composed of the Mixed, Girls', and Ninth Grade Choruses, Senior Ensemble, Melody Maids, Senior Trio, and Melodettes. The two most important goals for each year are District and State Contests. An operetta, "The Fortune Teller;" Spring and Fall Concerts; a variety show; and a Christmas program were scheduled events for the year.

A group of Seniors and other eligible students are elected each fall to go to Clinic and Experimental Chorus in Tampa in January. Those attending this year were Pat Anderson and Patty Wood, Experimental Chorus; Sarah Baughan and Sandra Smith went as usherettes. Kerry Kelly, Richard Wiggins, Stanley Hester, Ricky Waterhouse, Jill Jenkins, Priscilla West, Molly Whiddan attended Clinic Chorus.

Some money-making projects, other than the variety show and operetta, were evening performances for the townspeople, fruit cake sales, and several dances for the student body.

Mrs. Elizabeth Travis, who came to G.H.S. in 1955, is the able director.

#### The Band:

The Gainesville High School Band is a source of both pleasure and pride for the students. Their beautiful music provides hours of enjoyment to the listeners and their fine playing makes everybody proud to say, "That's our Band!" In fact, they so impressed the judges at State Contest that they received a superior rating in marching, sight reading, and concert. The Band went to Miami last summer and had a wonderful time. They are planning a trip to New Orleans this year and have worked hard on their projects to obtain their goal. Most of their funds came from the money they made selling candy during the school year.

The Band gives various programs during the year, among them: two concerts with the full band and one with the variety band. There are 61 members in the organization and all of them are outstanding. The biggest honor bestowed upon them was when they were chosen for the first chair of America, a yearly annual for the best high school bands in the nation. Gainesville High is certainly proud of their fine musicians.

### LATIN CLUB OFFICERS

Ruth Flanagan, Ruth Ada Volk - **Consul for the Patricians**; Aldile-Morynel Hughes, Page McKean - **Consul for the Plebeians**.

### THE LATIN CLUB

The purpose of the Latin Club is to furnish interested students with a background of Roman life and customs. The club is open to any Latin student who wishes to become a member. An interesting feature of the club is their election of officers. The members divide into two groups, the Patricians and the Plebeians, with one Consul from each. Ten tribunes of the Plebeians who are from the freshman class; and ten other students (Decemvirs) write the Constitution. Other officers are the Praetor, Quaestor, and Aedile. The club promotes interest in the ways of the Ancient Romans.

## SCIENCE CLUB

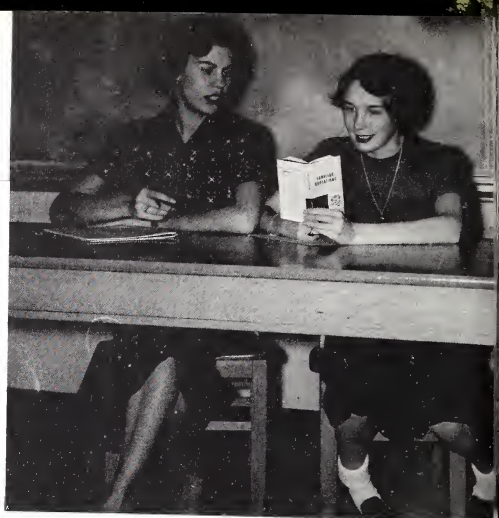

## ANNUAL STAFF

The Annual Staff of 1957 has brought to you the best yearbook that has ever been published for Gainesville High School. This year's annual is bigger and better than ever before. Everyone on the staff has worked hard down to the smallest detail to make this book one that you will be proud of and cherish throughout the years. We hope we have achieved our purpose. Years from now when you pick up this annual, perhaps the dim memories you have will begin to become clearer and once again you will hear the noisy halls, the click of lockers, and the laughter of school days gone by.

The Future Nurses' Club was organized in Gainesville High School in 1953 with the help of Mrs. Virginia Allen who has since been a very helpful advisor. To become a member of this club, one must show a definite interest in nursing and be of good character. The main aims of the club are to educate its members as to the nursing profession and to be of service to mankind. The Future Nurses' Club sends delegates to the district and state conventions and has a membership tea every year in September. The members hope soon to care for the quiet room and work as aides in the Alachua General Hospital.

#### FRENCH CLUB

Les Bouffons (The Clowns) organized last year to broaden the French students' understanding of the language and the customs of the people who speak it. The club holds one business meeting each month and the members have enjoyed the monthly meetings and movies which they attend at the University of Florida.

To become a "clown" one must have a C-average in French and a C-average in all other subjects, as well.

# HOMECOMING COURT REIGNS

The crowning of Queen Priscilla Pepper, King Bob Henderson, Princess Judy Harkness and Prince Donny Rice at the Storm Warning on Thursday before the Leon game began the round of 1956 Homecoming festivities. The revival of Storm Warning, the pep rally, proved to be a big entertainment success, with amusing skits, songs, and cheers. A big bonfire made with firecracker laden wood was held behind the gym on Thursday night. In the parade held Friday afternoon, clubs and individuals decorated cars and bicycles. The prize for the most original and ingenious entree was won by the Beta-Tri-Hi-Y. Gainesville's loss in the game was a great disappointment, but everyone enjoyed the "Victory Dance" after it. We were very proud of our team for they played a good game.

# Antigone

For the first time at G.H.S., a Greek tragedy was presented to the student body by the Hurricane Players. Although the play, *Antigone*, directed by Herman Shonbrun, was a dramatic reading, long hours of rehearsal and firesome work went into the final production.

The tragedy is the story of a young girl, Antigone, who is executed when she insists on burying her dead brother after the king has decreed that the brother, as an enemy of state, must be left unburied. Sarah Baughan, in the lead role, was ably supported by a group of extremely talented students.

Has this family got you down that low?

Make-up all over everyone!

"It's A Great Life," the senior class production directed by Mr. Herman Shonbrun, was presented on November 6 and 7. The play was a great success, but, at times during the long rehearsals, prop hunting, and worry with unlearned lines, Mr. Shonbrun and the cast had their doubts about what a great life it was.

The "hero" of the comedy, George Peabody, had his doubts about how great life was, too, as he became increasingly frustrated with his crazy, disorganized family. To remedy his troubles, he introduced the Peabody Plan, designed to bring peace, organization, and sanity to his charming family. Of course, the Plan succeeded in doing exactly the opposite.

All ended well, though, and everyone agreed that it was an extremely likeable, laughable show.

# Alpha Tri-Hi-Y Cake Auction

## ALPHA-TRI-HI-Y CAKE AUCTION:

The Alpha-Tri-Hi-Y held their cake auction in the auditorium on February 18. The bidding was fast and furious as the wonderful cakes (baked by the girls) were quickly sold to the hungry students. Beth Morgan auctioned off the various items which were sold. Many Gainesville merchants graciously contributed products to the sale from their stores. Because of the hard work by all the club members and the enthusiastic response from the student body, the auction was a huge success. This is a yearly event sponsored by the club and all the proceeds go to the Cancer Fund.

# Freshman Hop

The music was great

A great success!

Chaperones

The Freshmen Hop was held on February 22 in the school gym. Music and merriment were the keynotes of the evening as the couples danced until the wee small hours of the morning. "Underwater Fantasy" was the theme of the dance and the clever decorations were a real hit with everyone. A big octopus, fish nets, shells, and fish were placed around the room. Tables lined the walls and candles held in corks supplied a romantic atmosphere. Dee Dee Webb and Donnie Rice reigned as the royal couple. Everyone had a lovely time and will remember their hop as a real success.

Majorettes Dance

The boys enjoyed it

#### BACK-TO-SCHOOL-DANCE:

The annual Back-To-School-Dance sponsored by the cheerleaders took place the first Friday after school began. The largest number of people to ever attend a dance at the Recreation Center came to enjoy the fun and merriment. The first homework assignments were quickly forgotten as the music set the couples rocking. A school house, pencils, apples, and blackboards decorated the center, carrying out the theme. Skits were presented by the cheerleaders and everyone agreed that the dance was a big success.

## Football Banquet - 1957

The annual Gainesville High School Football Banquet was held February 14 in the school cafeteria. The room was attractively decorated by the cheerleaders with streamers, flowers, and miniature goal-posts. Attending the banquet were "A" and "B" Squad football players, the coaches and their wives, "A" and "B" squad cheerleaders, parents of

the players, and the guest speakers. After the delicious meal had been eaten, the main program got under way. Dr. Constans, Chief Jointer, and Coach Fuller made talks to the group. Awards were given to the outstanding players of this year's team and many boys were honored for their hard work.

## THE SENIOR-FACULTY BASKETBALL GAME:

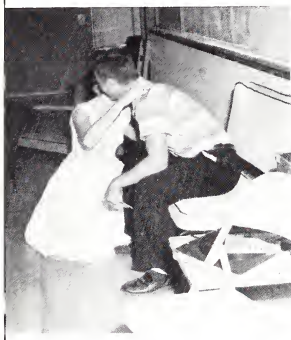

The Senior-Faculty Basketball game has become an annual event that is a great favorite with everyone. In this great athletic struggle, the brawny male members of our illustrious faculty pit their skill against the eligible senior boys. In the hilarious battle that follows, just about everybody manages to laugh himself silly. The "dignified" teachers really ham it up with crazy costumes and neck breaking antics. Although the seniors showed a lot of spirit and made a good showing, the faculty won the game.

Now don't get mad Milton!

## SPANISH CLUB INITIATION

All second year Spanish students and those with a "B" average in the first year classes were initiated into Los Sombreros Altos on October 4.

Several of the new members proposed marriage to each other and there was plenty of singing and dancing, as well as skits and poems, all in Spanish. *Muy bien!*
